

FIDELIS

1968

Logansport High School

Logansport, Louisiana

DEDICATION

Out of many, there is always one who thinks only of helping others and forgets his own comforts and desires.

Because of his untiring devotion to LHS, DeSoto Schools, Louisiana Schools, and all schools...

Because he can be counted on in time of need...

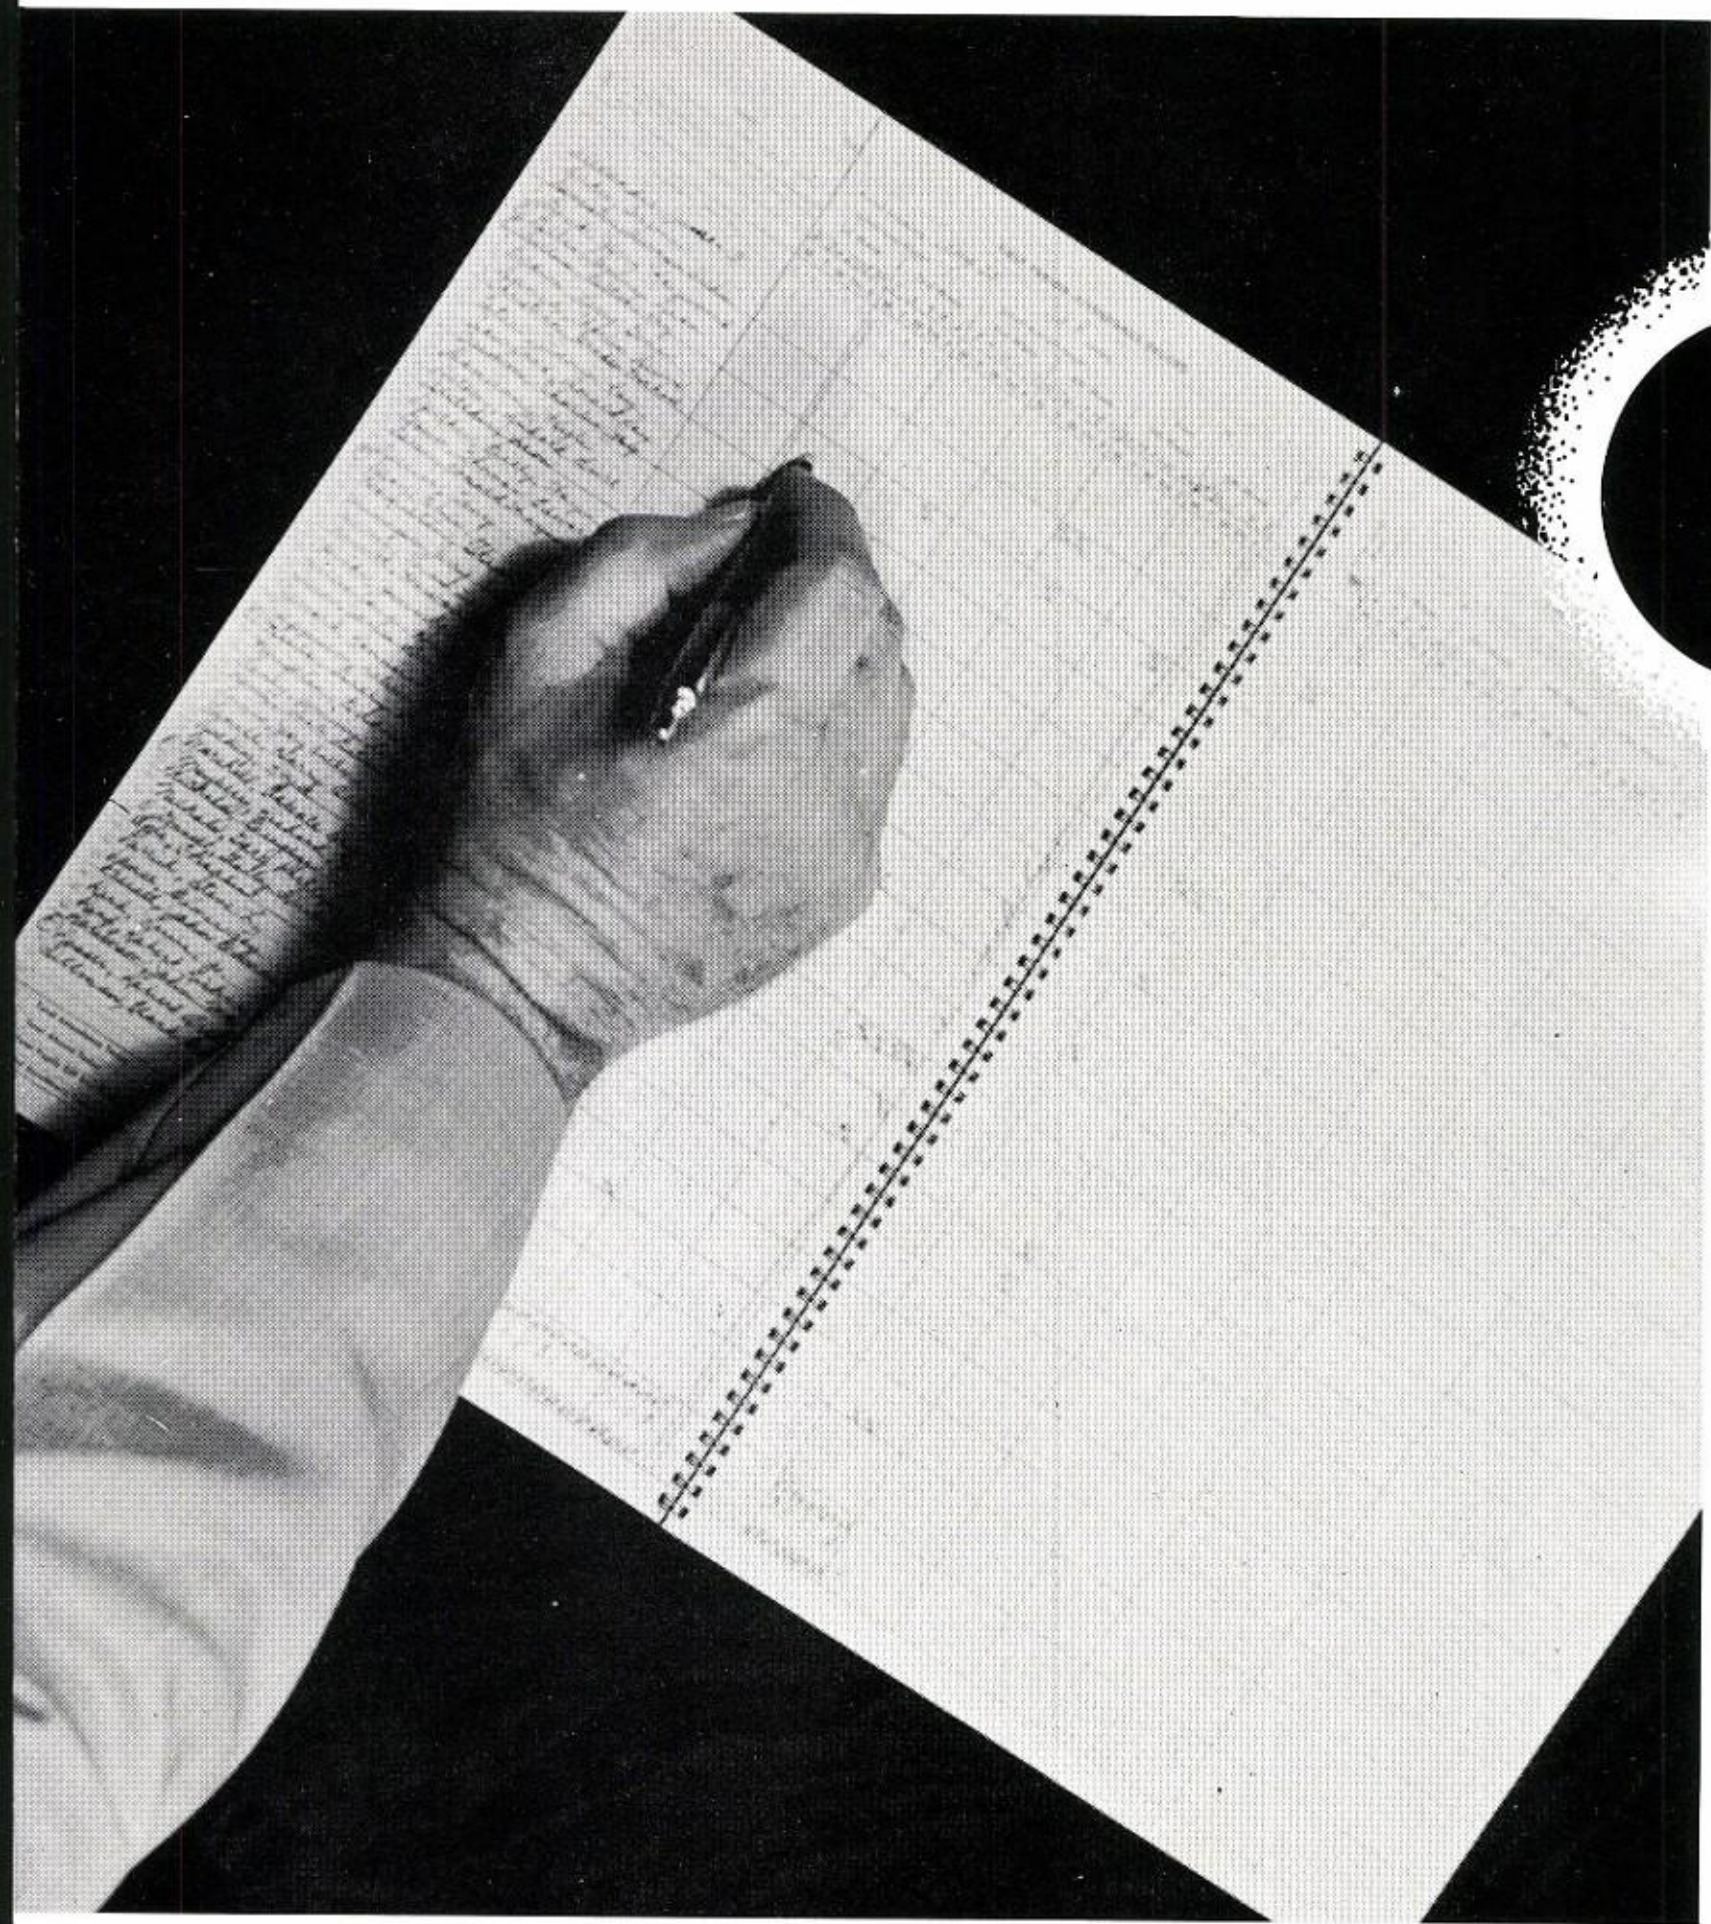

Because he has dedicated his whole life to the betterment of his community, school, and church...

Because he has given so much unselfishly and tirelessly...

Because we can say, "Truly, he is my friend"...

The Faculty, Student Body, and Fidelis Staff humbly dedicate the 1968 FIDELIS to

MR. KOY F. PACE, PRESIDENT
Louisiana School Board Association

Administration

Your life is your most valuable asset. Although you have no control over its start and very little over its ending, you do have complete control of it while it exists. The opportunity to make something valuable and worthwhile with your life is present now, but it will require ethical character.

You don't have to be rich to make something worthwhile of your life, and you don't have to have any special help. You do, however, have to have the desire to succeed and the perseverance to overcome obstacles.

You all have opportunities. You may take advantage of them or you may let them slip away. It is my sincere hope that each of you will realize the opportunities you have and take full advantage of them.

Best Wishes,

Bernard Waggoner

Great Expectations

by Charles Dickens

W

HEN I first read through the pages of this remarkable story, I was struck by the way in which Dickens has woven the tale of a young man's life into a masterpiece of English literature. The story is set in the city of London, and follows the journey of a young man named Pip, who is born in a village and grows up to become a great success in the city. The story is a masterpiece of English literature, and it is a story that has inspired generations of readers.

When the Tigers hit the practice field in August with only 20 boys, no one expected it to be much of a season except the Tigers themselves. The Tigers struggled through the first two and one half weeks with only one thought in mind-- to WIN. Under the watchful eye of Coach Speights, the Tigers were whipped into top condition; while Coach Haynes led his team through the mental aspects of the game.

DEFENSIVE TEAM

After a sluggish start at the Jamboree in Mansfield, the boys met their first competition when they hosted AA Northwood of Shreveport. Overcoming a half-time score of 14-13, the Tigers, under the accurate hand of Green and the rushing of Parker, ended the game with a 38-20 tally in favor of Logansport.

The first District game was played at Cotton Valley, where the Tigers edged out the Wildcats 25-14. The Wildcats drew first blood, but again under the brilliant playing of Parker, Green, and Foshee, the Tigers staged a second-half offensive game to dominate play.

The second District game saw the Tigers down the highly favored Horents of Arcadia 12-7. The Hornets scored first but a 30-yard-touchdown pass from Johniken put the Tigers only one point behind. The game was deadlocked until Green maneuvered his way for the winning TD.

Plain Dealing hosted the Tigers in the third District game. Quarterback Green put the Tigers on the scoreboard with a 55-yard quarterback sneek. Parker, behind vicious blocking drove the ball to the one-yard line where Green sneaked over for the score. Sidney Myers scored in the fourth period to give the Bengals a 19 to 7 win.

The spirited Tigers traveled to Benton to suffer the most heartbreaking defeat of the season and their only District loss. The Benton Bengals were able to hold the Tigers for only one TD and won the game by a close margin of 13-6. The lone score came by a Green run.

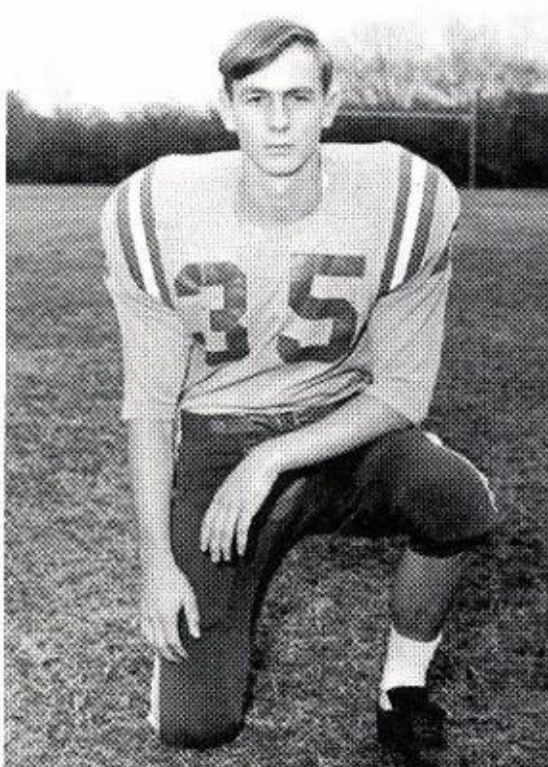

Infuriated by their defeat, the Tigers thoroughly trounced the Bernice Bears by a score of 25-13 for their sixth District game. Behind ferocious blocking, Parker took the ball over for the first TD and set the tempo of the game. A stubborn defense and overwhelming offense proved to much for the Bears. With Parker scoring twice more and Seago one, the victory gave the Tigers Second in District and the right to enter the State Play-offs.

The Tigers' joy was short lived, because the following week they were beaten by Newelton in a Bi-District contest. Newelton bounced ahead with 14 points. The Tigers' only score came in the fourth quarter when Parker plunged over from the two-yard line. A muddy field greatly hindered the Tigers, and on a dry field it might have been different. The final score was 14 to 6 in favor of Newelton.
